## WE OFFER "AUTOMATIC BANK DRAFTING"

You are able to have your water bill paid automatically by a debit to your checking account with no fees involved. Before we can do this, we need your **written authorization** and a copy of a **voided check** from your bank account. Please fill out the information below, sign and date, and return with a voided check to the District Office. Your bank account will be charged on the last date of the grace period. Participation in this program will automatically assure timely payment to avoid penalties. We will still send you a bill so you will know the amount of the draft.
