

LAKEWAY MUD "AUTOMATIC CREDIT CARD PAYMENTS"

You are able to have your water bill paid automatically by charging your credit card with no-fees involved. Before we can do this, we need your written authorization. Please fill out the following information, sign and-date, and return to the District Office. Your credit card will be drafted up to two business days before or after the penalty date. Participation in this program will automatically assure timely payment to avoid penalties. We will still send you a bill so you will know the amount of the charge. It is the responsibility of the customer to notify the District Office of any changes of billing address, expiration date, or type of credit card to be charged. **On a second occurrence of a bad "draft", a full deposit will be required and drafting will be removed from your account for one year.**
